

# U.S. Department of Defense Office of Small Business Programs

*The Common Entry Point for Small Business*

## ABOUT US

The Office of Small Business Programs (OSBP) increases business and industry participation in acquisitions with solutions vital to national security priorities. Working with federal and state partners, we accelerate the delivery of technological capabilities to the Warfighter by providing targeted programs and training to help American businesses acquire the know how to become suppliers to the defense industrial base.

### MISSION

To modernize the defense industrial base, accelerate acquisitions, and reestablish deterrence by reducing barriers for small businesses to supply our Warfighters with innovative solutions and critical services.

### VISION

Maximize opportunities for businesses to contribute to national security by providing combat power for our troops and economic power for our nation.

## STRATEGIC OBJECTIVES

- 1 Implement a **unified management approach** for industry integration programs and activities.
- 2 Ensure the Department's business activities **align with national security priorities**.
- 3 Strengthen the Department's **engagement and support of businesses**.
