- Acquisition Program Support
- Industrial Base Policy, Analysis and Production Methods
- Acquisition Workforce Policy/Training

- Acquisition Sustainment & Logistics Policy
- Life Cycle Sustainment Planning
- Operational Logistics/Strategic Mobility
- Operational Energy, Strategy & Policy

DP/DPAP Top Initiatives for FY2018

- 1. Reduce procurement administrative lead time (PALT)**
- 2. Regulatory Reform Task Force (RRTF)**
- 3. Peer Reviews**
- 4. Implementing annual NDAA Small Business requirements**

Secretary of Defense Priorities:

Increase Lethality

Strengthen Ties to Allies

Reform Business

Procurement Administrative Lead Time (PALT)

We need to remarkably decrease the time it takes to get weapons systems and services on contract while respecting each taxpayer dollar we spend

- **Train the workforce -
Contracting & Small Business Professionals**
- **Creating an online real time acquisition streamlining tool**
- **Empowering teams to take measured risk**
- **Having flexibility in the amounts of certified cost and pricing data needed**
- **Creating a PALT tracking tool**

Regulatory Reform Task Force (RRTF)

- **In accordance with Executive Order 13777, “Enforcing the Regulatory Reform Agenda,” the DoD Regulatory Reform Task Force is doing a comprehensive review of solicitation provisions and contract clauses to determine if any are candidates for repeal, replacement, or modification**
- **As of April 18, 2018, the DFARS Subgroup has made recommendations on 161 of the 354 DFARS solicitation provisions and contract clauses**
- **The DoD RRTF has dispositioned 140 of the DFARS Subgroup recommendations**

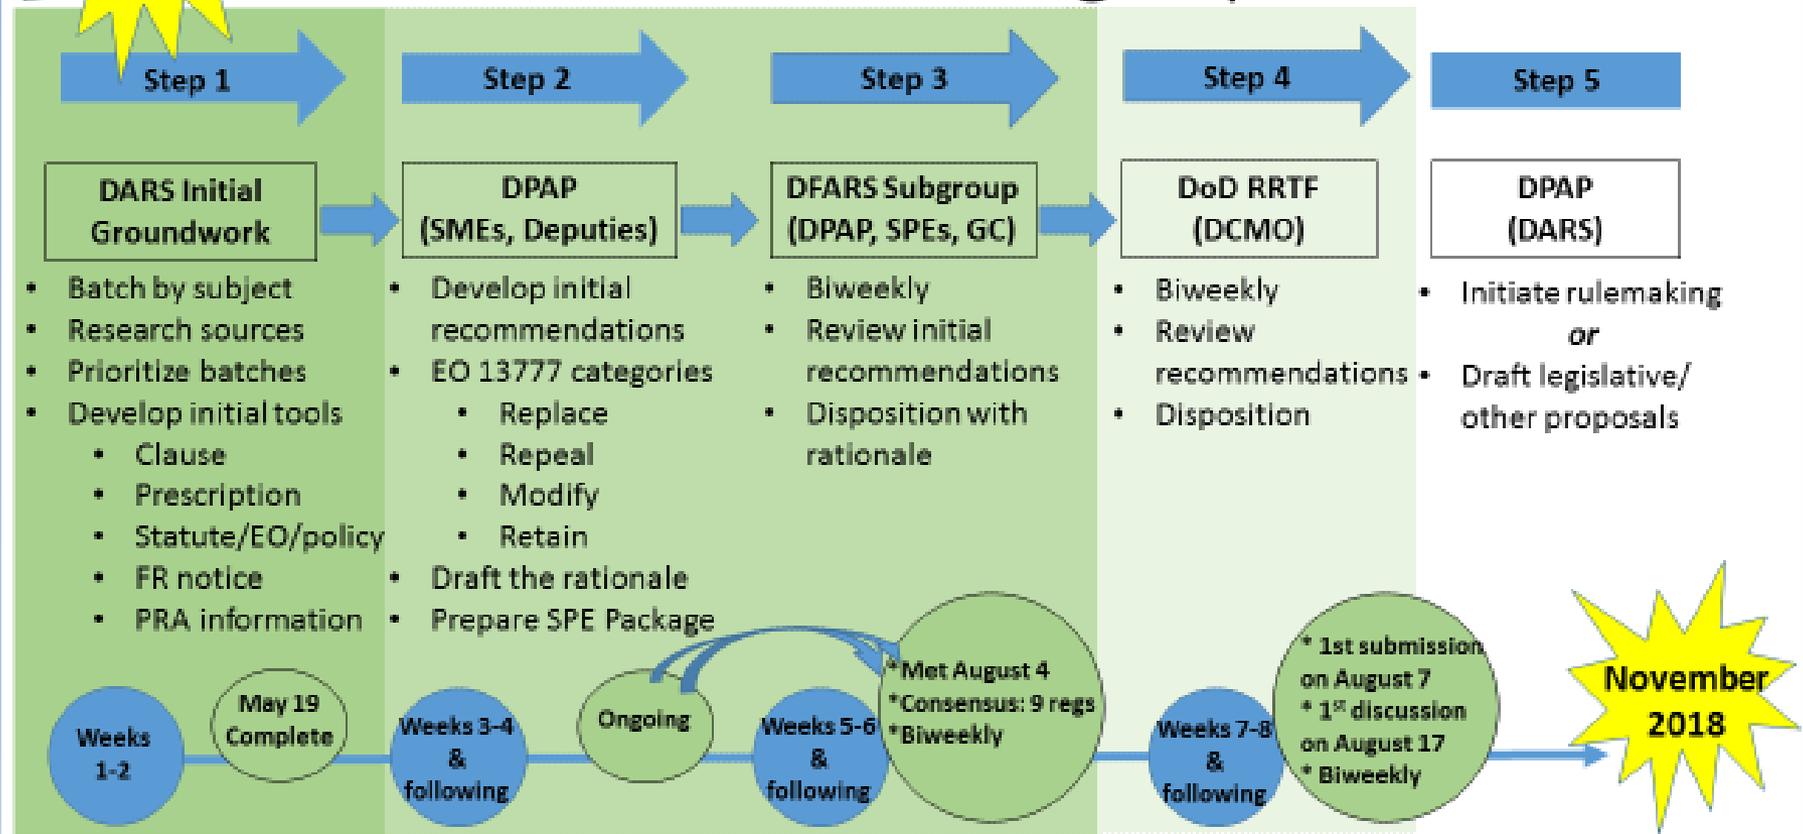

Regulatory Reform Task Force (RRTF)

August 10, 2017

354 clauses

EO 13777 RRTF DFARS Subgroup Workflow

Peer Reviews

- **OSD conducts peer reviews for solicitations and contracts on high-dollar and special interest acquisitions to advise, assist, and enable the military departments and agencies to execute their work efficiently and effectively**
- **The reviews are primarily conducted by a contracting Senior Executive Service (SES) together with Program Management and Senior Engineers**
- **DOD Instruction 5000.74 includes OSBP in the review of Service Contracts so DPAP includes a Small Business professional in the applicable peer reviews**

NDAA Implementation Open Cases

FAR

- | | |
|-----------------|------------------------------------------------------------------------------|
| 2018-004 | Increased Micro-Purchase and Simplified Acquisition Thresholds |
| 2018-003 | Credit for Lower-Tier Small Business Subcontracting |
