

U.S. Department of War Mentor-Protégé Program

We assist small businesses in successfully competing for prime contract and subcontract awards by partnering with large companies.

The DoW Mentor-Protégé Program* strengthens and modernizes the defense industrial base by connecting businesses new to government contracting with more experienced government contractors to provide broader and deeper capabilities to the military supply chain.

OBJECTIVES

Help eligible businesses expand their footprint in the defense industrial base to meet national security priorities while enhancing competition and cost savings for the government.

Increase the capabilities of small businesses to perform on DoW contracts.

Facilitate and enhance long-term business relationships.

Increase and strengthen the defense industrial base.

TYPES OF AGREEMENTS

Mentor-Protégé Agreements focus on areas of developmental assistance, which can include technology transfer and technical enhancement, cybersecurity readiness, and business infrastructure.

- Reimbursable: Up to \$1M per year for 3 years
- Credit: Small business subcontracting credit to the mentor
- Hybrid: Subcontracting credit for 1 year and reimbursement for an additional 2 years
