## ASMPP Highlights

Description

Protégé may generally only have one Mentor at a time; SBA may approve a second where no competition exists/new NAICS/new Mentor skills; Two maximum of SBA's program in lifetime.

SBA – ASMPP Program does not review or approve JV agreements, unless JV has an 8(a) partner or JV is seeking an 8(a) set-aside contract. Then normal 8(a) review and approval process occurs.

JV agreements must be registered in SAM.

ASMPP participants must certify to the ASMPP office and to the contracting officer that the JV meets the requirements as set forth in the regulations. SBA provides a format that Protégés must upload into Certify.SBA.gov when JV is created.

An existing JV can not qualify as a stand-alone Protégé in a new application with a new Mentor.
