Mission and Goals

Mission

• To provide streamlined access for small businesses to enter into the federal acquisition marketplace

Goal 1

• To enhance the business capabilities & growth potential of Small Business firms through mentoring with experienced large businesses

Goal 2

• To gain increased access to domestic and international contracts through formal partnerships with large experienced businesses

Goal 3

• To assist large mentor firms in expanding and developing a more mature and diverse supply chains

Goal 4

• To assist large mentor firms in gaining access to small business contracts through value-added small business partners
History & Important Facts

Authorization – 2010 Jobs Act and 2013 NDAA

SBA had a well-established mentor protégé program for SBA 8(a) certified firms; but lacked an MPP program for other small business concerns and specifically, one for specialized certified concerns such as WOSB, SDVOB, & HubZone businesses.

Final Rule Published July 25, 2016

Effective Date: August 24, 2016
Official Launch Date: October 1, 2016

Created One Government-wide program for all small businesses

Also revised rules for 8(a) MP program to make both programs more consistent, where practicable.

Instructed SBA to review all other Agency’s MPPs and consolidate where practicable.
Mentor Services to Protégés

- **Management & Technical Assistance** (internal business management systems)
- **Financial Assistance** (in the form of equity investments and/or loans)
- **Contracting Assistance** (contracting processes, capabilities acquisitions & performance)
- **Trade Education** (learn how to export, International Trade business plan, finding markets)
- **Business Development Assistance** (strategy, finding contracting and partnership opportunities)
- **General and/or Administrative Assistance** (business processes and support)
Primary Functions

Program Office provides an online mechanism (Certify.SBA.gov) for small (Protégé) and large (Mentor) pairings to apply to become a recognized “team” that can form “joint ventures” defined as “small” – to compete for small business set-aside contracts in the federal government.

ASMPP (All Small Mentor Protégé Program) is operated centrally at SBA HQ. All agreements are reviewed, approved and evaluated here. (no district office involvement is required)

Review & evaluate online applications; approve or decline per rules and quality standards

Collect annual reports and evaluate, quantitatively and qualitatively, the success of the program through identified metrics and success stories. (in development currently)

Joint venture agreements are not reviewed and approved in this office. (in contrast to 8(a) JV approval at the District Office level.)
