Final Rule: Consolidation of Mentor Protégé Programs (cont.)

Consolidation of Mentor Protégé Programs (cont.)

85 FR 66146

- Combines 8(a) MPP and ASMPP

- Changes to M/P program
  - MPA will not count if terminated within 18 months (with one caveat)
  - Does not require mentor good character in every instance
  - Mentor cannot submit competing offers
  - Does not adopt proposal to limit mentors to revenues less than $100 million
  - Protégés from Puerto Rico don’t count for 3 limit, up to 2 (NDAA 2019)
  - Eliminates reconsideration
  - Implements changes to M/P annual evaluations
Final Rule: Consolidation of Mentor Protégé Programs (cont.)

85 FR 66146

• Changes to joint venture rules:
  • Eliminates SBA approval for competitive 8(a) JV
  • 3-in-2 rule to 2 years
  • Measures to restrict changes in JV partners not adopted
  • Facility Security Officers may be administrative personnel
  • JV contract awards requiring a facility clearance
  • Clarification as to size of JV partners

• MACs, NAICS codes and eligibility
  • Assign single NAICS code to each order—must be included in underlying MAC
  • Except for FSS, eligibility for SB order on unrestricted MAC based on time of offer for order
    • Same for required order status that differs from the underlying contract
    • Final rule clarifies the use of reserves or pools – size and status flow down to orders
Final Rule: Consolidation of Mentor Protégé Programs (cont.)

85 FR 66146

Changes to 8(a) rules:

- Defines follow-on requirement
  - Buying activity must notify SBA where work previously performed through 8(a) program will be performed through a different means
  - SBA Administrator may appeal a determination that work previously performed as 8(a) contract is "new"
- More clarity on immediate family member participation
- Prior-SBA approval for change of ownership not needed:
  - Insertion/deletion of holding company as between Participant and ANC/tribe
  - All non-DVDs involved in transaction own >20% before and after the change
  - DVD individual (entity) will increase his/her (its) ownership interest
- Appeal process for changes in primary NAICS code
- Re-apply after decline after 90 days
  - Final rule added 12 month waiting period where a concern has been declined 3 times within 18 months of the date of the first final agency decline decision
Final Rule: Consolidation of Mentor Protégé Programs (cont.)

85 FR 66146

Changes to 8(a) rules (cont.):

• Eliminate provision that Participant cannot receive 8(a) BD benefits until SBA has approved business plan
  • Must submit business plan within 60 days of program admittance
  • Failure to do so will result in a program suspension

• Release
  • Requires SBA release for non-8(a) competition even where statutorily required and where buying activity seeks to resolicit work as an 8(a) order on a non-8(a) vehicle
  • Notification required where agency seeks to migrate 8(a) contract to a limited competition 8(a) vehicle
Changes to 8(a) rules (cont.):

- Bona fide place of business
  - Timeframes for bona fide place of business (at least 20 days before offer, review within 15 days of request).
  - Expands applicable geographic scope to include Metropolitan Statistical Areas and contiguous counties (in the same or a different state)
  - Allows a concern to submit an offer for a construction requirement if the request is made timely (i.e., at least 20 working days before offers are due) even if SBA approval has not occurred
  - Clarifies that BFPOB applies to competitive and sole source 8(a) construction contracts
- Limit on sole-source awards changed to $100 million in all cases
**Final Rule: WOSB Certification Program**

85 FR 27650

- To receive a WOSB/EDWOSB set-aside or sole-source contract, the firm must be certified:
  - by SBA,
  - an authorized Federal or state entity, or
  - an authorized third-party certifier (TPC)

- All WOSBs must download their documentation currently housed in the WOSB Program Repository from certify.sba.gov.

- Firms can begin submitting applications for initial processing.

- On October 15, SBA began issuing decisions on certification applications.
Other changes:

• Outlined new oversight procedures for third-party certifiers.
• Detailed the timeline and process for firms seeking to re-apply after a decline.
• Detailed procedures for how WOSBs/EDWOSBs will maintain certification and how SBA will conduct program examinations.
Other changes:

• Aligned the economic disadvantage thresholds between the EDWOSB and 8(a) Business Development Programs.
  • Established a $750,000 personal net worth standard for economically disadvantaged individuals in the 8(a) program. This matches the standard in place for EDWOSBs.
  • Revised both programs’ regulations so that qualified retirement accounts are backed out of the personal net worth calculation for an economically disadvantaged individual, regardless of age.

• Clarified that if a firm is unable to recertify its socioeconomic status (WOSB/EDWOSB, HUBZone, SDVO, or SDB) on a long-term contract, the award may not count towards the procuring agency’s goals for that socioeconomic group.
Final Rule: HUBZone Comprehensive Review

84 FR 65222

• HUBZone maps, currently frozen through 2021, will be updated every five years

• Moves to annual recertification (from three-year), effective for all HUBZone contracts for the one-year period

• Requires HUBZone status in DSBS at time of offer (not time of award)

• For non-HUBZone multiple-award contract (other than FSS contract), firm must be certified as a HUBZone at time of offer on a HUBZone set-aside order
Final Rule: HUBZone Comprehensive Review (cont.)

84 FR 65222

• Requires 35% employee HUBZone residency at time of certification and recertification; “attempt to maintain” during contract performance

• Defines “attempt to maintain” HUBZone status during HUBZone contract performance as having at least 20% HUBZone employees (must be 35% at application and recertification) and recruiting HUBZone employees

• An employee who resides in a HUBZone for at least 6 months before and after time of certification continues to count as HUBZone employee as long as an employee of the firm—even if employee moves or residence no longer qualifies

• Employees temporarily living overseas in connection with performance of a contract will be considered to reside at their U.S. residence
Final Rule: HUBZone Comprehensive Review (cont.)

84 FR 65222

• Firms that invest in HUBZones by purchasing building or entering into long-term lease are deemed to meet principal office requirement for 10 years—even if office location no longer qualifies as a HUBZone

• Includes affiliate employees in 35% and principal office calculations if no clear line of fracture between firms

• Applications for HUBZone certification are processed within 60 days of a complete submission

Final Rule: Surplus Property for Veteran-owned, Puerto Rico, and Disaster-affected Small Businesses

85 FR 69120

• Implements three provisions of the Small Business Act to give access to and manage the distribution of U.S-owned surplus personal property to three additional groups of small businesses:
  • small businesses owned and controlled by veterans,
  • small businesses located in major disaster areas, and
  • small businesses located in Puerto Rico.

• GSA operates the Donation Program through State Agencies for Surplus Property (SASPs).
Part B Interim FAR Rule: Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment

85 FR 42665 (July 14, 2020)

• Prohibits a contract with an entity that uses any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.
• Applies unless an exception applies or a waiver is granted.
• Requires all offerors to represent, after conducting a reasonable inquiry, whether covered telecommunications equipment or services are used by the offeror, and if so, to provide further information.
• Contractor must report use of any such equipment, systems, or services discovered during contract performance.
Second Part B Interim FAR Rule: Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment

85 FR 42665 (August 27, 2020)

• Requires an offeror to represent annually, after conducting a reasonable inquiry, whether it uses covered telecommunications equipment or services, or any equipment, system, or service that uses covered telecommunications equipment or services

- 8(a) sole-source J&A threshold raised from $22 million to $25 million;
- HUBZone sole-source thresholds raised from $7 million to $7.5 million, and $4 million to $4.5 million; and
- WOSB sole-source thresholds raised from $6.5 million to $7 million, and $4 million to $4.5 million.
- SDVOSB manufacturing sole-source threshold raised to $7 million.
FAR Final Rule: Removal of Obsolete Definitions

85 FR 67615

• Removes the definitions of "annual receipts" and "number of employees" from the FAR coverage of Small Business Programs.

• Recognizes that the existing definitions are redundant and outdated because of SBA's changes to the definition of annual receipts.

• Moves the definition of "affiliates" from section 19.101 to 2.101, where most FAR definitions reside.

• Effective Nov. 23.
**DFARS Interim Rule:** Assessing Contractor Implementation of Cybersecurity Requirements (CMMC)

85 FR 61505

- Requires assessments of compliance with NIST 800-171.
  - Self-assessment for Basic; government assessment for Medium/High
- Phases in implementation of CMMC certification over 5 years.
- Applies to all DoD contracts, except below micropurchase threshold or COTS.
- Higher tier flowdown to subcontracts that involve covered defense information.
- Comments accepted until November 30.
