

# **Business Networking Coalition**

This is MEA magazine's networking coalition that is open to small, minority, HUBZone, women-owned and veteran-owned businesses to participate. Businesses have the opportunity to share and discuss issues affecting your growth and economic development and solve problems. We build relationships for minority entrepreneurs in public and private sectors. Prior to MEA we ran an advocacy organization, Minority Business & Professionals Network (1997-2003), Minority Enterprise Executive Council (2005-2013).
